

ACC Squash Equipment

Head Liquidmetal 140 **\$79.95**
The unique Liquidmetal atomic structure of the racquet frame does not deform on impact, resulting in more energy return to the ball.

Head Metallix 140 **\$109.95**
This racquet suits many styles of play and levels of players with its medium-weight construction, tremendous stability and unique blend of both power and control.

Head Metallix 130 **\$119.95**
The Head MicroGel Extreme Squash Racquet is incredibly responsive. On ball impact the Microgel uniformly distributes the impact load around the frame to provide a rock-solid feel and unique touch.

Head 115 CT Darwish **\$149.95**
HEAD's 115 CT provides optimum power in every shot. A revolutionary shaft design with Corrugated Technology has been combined with Metallix and MicroGEL technologies for a stronger, stiffer and more powerful racquet with amazing feel.
